**a. Review of unbudgeted expenses report**

General discussion and questions regarding items listed as non-budgeted.

**Secretary's report****a. Discussion/Action regarding name/title for banking and tax purposes**

The secretary reported the name the Federal EIN is registered to and the name the State withholding number is registered to, are not the same but need to be. Further, the Fire Department does not have a Tax Exempt number. The Fire Board will need to decide what name they want registered with the State and the IRS as well as the bank accounts. Once decided, all documentation will be submitted to the State to apply for a tax exempt number and change the registered name as well as with the IRS and Bank so they have the same name.

The name must match the agreement approved and signed by the Town and Village Boards when changing from a Fire Commission to a Fire Board. Motion by R. Spurrell for Debbie to proceed with the name and the agreement confirmation that it is Eagle Fire District, seconded by A. Rasmussen. Motion carries unanimously (4-0)

Additionally under the secretary's report it was reported there is an old payroll check from January of 2015 that has not cleared the bank yet. It was recommended that the Acting Chief and Secretary work out the details of this and contact the employee.

**Discussion/Action regarding Fire Department credit cards**

Once the name change is recorded and in effect, then the Fire Department will secure their own credit cards, separate from the Town's accounts. Motion by B. Kwiatkowski to table the credit card action until the name issues are resolved, seconded by J. Frisch. Motion carries unanimously (4-0)

**Discussion/Action to approve HR policy**

Minor discussion regarding FMLA, noting that it is not required if there are under 50 employees. Due to the fact that it doesn't cost anything to leave it in the policy, it will be left in the policy as is. A few minor wording corrections were recommended. Clarification on the grievance policy is needed.
